APTITUDE TESTS

ADULTS

www.apitudetests.co.za

These tests are suitable for persons who are already in a ' profession or are considering new challenges in their lives.

What does this evaluation include:

- Personality test and report
- Interest questionnaire and report

What does this evaluation exclude:

- No “academic testing” is done.
- The recommendations made do not provide for practical, family, or financial considerations that are unique to your situation, but you can use the self-knowledge you gain very useful to further plan your future or career.
- Academic potential: Integration of intellectual abilities and scholastic achievements
- Personality type and interest profile
- Complete report and personal feedback

The evaluation can be done in person, online or in groups. The psychologist or career adviser will give personal or telephonic feedback as well as an in depth report.
